AMEND Senate Bill No. 4039*

House Bill No. 4039

by adding the following language after the word "guidelines" and before the punctuation ";" in amendatory subdivision (j)(1)(A) of Section 4 of the printed bill:

, as well as establishing criteria whereby projects that have been warranted for a pre-determined energy use shall be eligible

AND FURTHER AMEND by adding the following language after the word "projects" and before the punctuation ";" in amendatory subsection (e)(2) of Section 4 of the printed bill:

including projects where a provider has warranted pre-determined energy use objectives under the criteria established by the technical advisory committee and approved by the council

AND FURTHER AMEND by deleting amendatory subdivision (j)(2)(B)(ii) of Section 4 of the printed bill and by substituting instead the following:

(ii) Two (2) members shall have a background in sustainable building design, including, but not limited to, persons with LEED AP certification or background in green gloves design and management;

AND FURTHER AMEND in Section 4 in subdivision (j)(2)(B) of the printed bill by deleting the language "three (3)" and substituting instead the language "five (5)".

AND FURTHER AMEND by adding the following language to subdivision (j)(2)(B) of Section 4 as a new subdivision:

(iv) One (1) member shall have obtained a professional engineering certification and be experienced in performance based energy accountable construction processes;

AND FURTHER AMEND in Section 4 of the printed bill in the second sentence in amendatory subsection (a) by deleting the language "eleven (11)" and by substituting instead the language "twelve (12)".

AND FURTHER AMEND in subdivision (a)(1) of Section 4 of the printed bill by deleting the language "two (2)" and by substituting instead "three (3)" and by adding the following language as a new subdivision:

(C) One (1) member representing the interests of the industries that provide natural gas and oil heating to school buildings.
